**WELCOME TO BILLY BEEZ.
WE ARE EXCITED THAT YOU CHOSE BILLY BEEZ
CROSSGATES TO HOST YOUR GROUP EVENT!**

Our busy team of beez are preparing the hive for the arrival of your group on event day, but we need you to do your part as well. To help us expedite the check in process for large groups, we REQUIRE the following to be completed in advance to check in on event day.
*failure to complete the process will result in not being admitted to the park on the event day.

All guests (players and chaperones) are REQUIRED to complete the Billy Beez online waiver at least 24 hours prior to check in time.

The group event organizer (the person booking the group reservation) will be emailed a dedicated link within 24 hours of the booking confirmation. This dedicated link will contain the waiver specific to your group event.

The group event organizer must email the link to all participants/attendees – players and adult chaperones to complete in advance prior to the event day.

No one will be granted entry and will be turned away without having completed the Billy Beez online waiver.

We are committed to providing a buzzworthy experience and appreciate your cooperation.
